

Date Received: _____

Team Conflict Form

*A team conflict is defined as a specific day/time that a team will be unable to participate due to not having the minimum number of players required to participate. Missing one or two players does not constitute a conflict unless it places you below the required number to participate. If the coach is not able to be at the game this does not constitute a conflict.
(Every attempt to accommodate will be made, however requests are not guaranteed.)*
